SAN FRANCISCO
BOYS CHORUS

AUDITIONS

The GRAMMY Award-winning San Francisco Boys Chorus offers a first-rate choral experience for boys from pre-school through high school, with rehearsals offered in four Bay Area locations: San Francisco, San Rafael, Oakland, and San Mateo. The San Francisco Boys Chorus tours internationally and regularly performs with the San Francisco Opera and the San Francisco Symphony. Through our program, boys not only develop their musical talents, but also teamwork, critical thinking, leadership, self-expression, focus, and lasting friendships. Tuition Assistance is available.

Please contact the office at 415.861.7464 x319, or visit www.sfbc.org/auditions to schedule an audition for the 2020-21 year, or for more information.

We will contact you to schedule a video call with one of the directors, to start to get to know each other. When it is safe again to meet in person, we will follow up with an audition.
