Instruction 2020-2021

“A local educational agency shall offer in-person instruction to the *greatest extent possible*” (EC 43504)

In-person instruction means instruction under the immediate physical supervision and control of a certificated employee of the local educational agency while engaged in educational activities required of the pupil.

- For 180 day requirement, “an instructional day is a day in which all pupils are scheduled for the length of the day established by the governing board or body of the local educational agency in a classroom under the immediate supervision of a certificated employee or in distance learning that meets the minimum requirements described in this part.”
 - For purposes of calculating apportionments for the 2020–21 fiscal year, a local educational agency **shall** offer in-person instruction, and **may** offer distance learning, **pursuant to the requirements of this part.**
-

Conditions for Distance Learning

Distance Learning Conditions

(EC 43503(a)(2))

“**Distance learning** may be offered under either of the following circumstances:”

- On a local educational agency or school wide level as a result of an order or guidance from a state public health officer or a local public health officer.
 - For pupils who are medically fragile or would be put at risk by in-person instruction, or who are self-quarantining because of exposure to COVID-19
-

Distance Learning Means

Distance learning may include, but is not limited to, all of the following:

Distance Learning Defined (EC 43500)

Instruction in which the pupil and instructor are in different locations and pupils are under the general supervision of a certificated employee of the LEA

- Interaction, instruction, and check-ins between teachers and pupils through the use of a computer or communications technology.
 - Video or audio instruction in which the primary mode of communication between the pupil and instructor is online interaction, instructional television, video, tele-courses, or other instruction that relies on computer or communications technology.
 - The use of print materials incorporating assignments that are the subject of written or oral feedback.
-

Distance Learning Requirements

Requirements for Distance Learning (EC 43503(b))

Instruction in which the pupil and instructor are in different locations and pupils are under the general supervision of a certificated employee of the LEA

- Confirmation or provision of **access** for all pupils to **connectivity and devices** adequate to participate in the educational program and complete assigned work.
 - Content **aligned to grade level standards** equivalent to in-person instruction.
 - **Academic and other supports designed to address** the needs of pupils who are not performing at grade level, such as English learners, pupils with exceptional needs, pupils in foster care or experiencing homelessness, and pupils requiring mental health supports.
 - **Special education, related services**, and any other services required by a pupil's individualized education program with accommodations necessary
 - Designated and integrated instruction in **English language development** for English learners
 - **Daily live interaction** with certificated employees and peers for purposes of instruction, progress monitoring, and maintaining school connectedness
-
