CONTRACTOR PREQUALIFICATION PACKAGE

FOR GENERAL CONTRACTORS AND MECHANICAL, ELECTRICAL & PLUMBING SUBCONTRACTORS 2016 PREQUALIFICATION OF CONTRACTORS FOR DISTRICT MEASURE D BOND PROJECTS

ADDENDUM No. 1

This Addendum 1 is issued to address questions we received from potential contractors. This Addendum No. 1 contains portions to which you must respond, and should be completed and returned with the prequalification packet that you complete. All portions of the prequalification packet not addressed herein shall remain in place as written.

- A. **The deadline for responding to the prequalification packet is moved from July 28, 2016 to August 1, 2016 at 3pm.**
- B. **When responding to section XII, contractors and MEP subs may check "yes" if they participate in a union apprenticeship program.**
- C. **MEP Subs do not need to respond to Section X, bonding capacity. MEP subs will not be disqualified for failing to answer Section III, No. 5, requesting a notarized statement from a surety.**
- D. **MEP Subs do not need to respond to Section IX – financial capacity.**
- E. **Former Section XIII contained a numbering error. Section XIII of the prequalification packet is deleted in its entirety and replaced with the following Section XIII:**

SECTION XIII: PUBLIC PROJECT EXPERIENCE

Answer the following question only if Contractor seeks to be prequalified as a Contractor, and not an MEP Subcontractor. Do not answer both this Question and the following Question 2.

1. Specify the number of public projects that the Contractor completed during the last ten years, in each case acting as a general contractor or construction manager pursuant to direct contract with a California public school district, and for which projects the approval by the California Department of General Services, Division of State Architect ("DSA") was required:

Scoring: 1 point for each project, up to a maximum of 10 total points

Answer the following question only if Contractor seeks to be prequalified as a mechanical, electrical or plumbing subcontractor and not a general contractor. Do not answer both this Question and the foregoing Question 1.

2. Specify the number of public projects that the Contractor completed during the last ten years, in each case acting as a subcontractor to a prime contractor that directly contracted with a California public school district, and for which projects approval by the California Department of General Services, Division of State Architect ("DSA") was required: _____

Scoring: 1 point for each project, up to a maximum of 10 total points

3. Specify the final contract amounts (i.e., as adjusted by any change-orders, amendments, *et cetera*) of the ten **most recent** public-works construction contracts completed by the Contractor (i.e., its own contracts) during the last ten years, for which approval by the DSA was required: *(If the Contractor has completed less than ten such contracts in the last ten years, specify contract amounts for all of such contracts.)*
