## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

### Principal's Message

Kent Middle School (Kent) is part of the Kentfield School District, a dynamic learning community that prepares individuals for a lifetime of intellectual exploration, personal growth, and social responsibility. The District's strategic plan motivates students, teachers, and community members to value diversity among all stakeholders, seek inspiring academic and creative pursuits, and to establish connection between each other, our learning, and our world. Kent inspires and challenges all students to live, learn, and lead to their fullest potential, while also providing a high quality education that empowers every student to reach high, work hard, and be kind. Highlights of the campus include our extensive solar powered generation facilities, a fully stocked wood shop, a Maker's Space, art facilities, two learning centers, science lab spaces, a full library, our dedicated music building, and two gymnasiums.

Kent Middle School focuses on educating the whole child, balancing academic rigor with social and emotional wellness. We embrace grade level through lines to help students develop essential life skills, and a mindset for learning and growth (5th grade - Independence, 6th grade - Impact, 7th grade - Perseverance, 8th grade - Legacy). We also strive to pique student interest and curiosity, creating independently driven learners. By leveraging the talents, skills, and passions of our staff, we are able to maximize student learning. At the beginning of each day, students are greeted at the door by their teachers, and the Falcon News broadcast, a daily news show produced by students, makes timely announcements and highlights the many extra-curricular activities available. Often the Falcon News features short films produced and directed by students. Kent Middle School staff are committed and exceptional educators who work collaboratively to create inquiry-based learning activities and student-specific intervention strategies. For students requiring additional support before and during school, intervention programs are offered in both reading and mathematics. Targeted special education supports are provided by highly skilled and highly qualified education specialists, for those students who qualify.

Our English Language Arts and Math teachers design and implement rigorous, challenging, and differentiated common core aligned instruction designed to meet the diverse needs of all learners. Our Science department implement the Next Generation Science Standards (NGSS), innovative instruction for which we earned the California Gold Ribbon Award in 2014. Our History department focuses instruction around essential questions that help students connect their learning of history to inform their understanding of the present. Students' instructional day is enriched with electives including art, music, woodshop, makers, social action, journalism, public speaking, and more. Our Physical Education department emphasizes collaboration, teamwork,

and skill building through fun and challenging physical activity. Social and emotional development is also a focus and a strength at Kent. Our character program received a California Distinguished School designation in 2012, and our school continues a robust advisory program where students have common experiences around social and emotional learning and shared problem solving utilizing common lessons and common language across the school. All of these elements, and more, combine to create the unique environment of Kent Middle School, a place where adolescent learning and social growth are nurtured daily.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

### 2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
<b>Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)</b>	41
<b>Intern Credential Holders Properly Assigned</b>	0
<b>Teachers Without Credentials and Misassignments (“ineffective” under ESSA)</b>	0
<b>Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)</b>	0
<b>Unknown</b>	0
<b>Total Teaching Positions</b>	41

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum at Adaline E. Kent Middle School are aligned to the California Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. In October 2021, the Kentfield School District's Board of Trustees held a Public Hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #4 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts. In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2021-22 school year, Kentfield School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

## School Facility Conditions and Planned Improvements

The Kentfield School District takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Adaline E. Kent Middle School's original facilities were built in circa 1934; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In November 2014 Measure D was passed by the community. Highlights of the construction include the addition of new music and administrative/health buildings. All classrooms have been modernized along with upgrading our heating systems. Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Three custodians (one morning custodian, one afternoon custodian and one part-time evening custodian) are assigned to Adaline E. Kent Middle School. The day custodian is responsible for:

- Facilities cleaning
- Events setup/cleanup

Restrooms are checked once a day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Classroom cleaning
- General use areas
- Office area cleaning
- Restroom cleaning
- Gymnasium cleaning

The Principal communicates with custodial staff daily concerning maintenance and school safety issues.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

Parents are our partners in education at Kent Middle School, and are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through email, the school marquee, the school website, Kentfield weekly electronic newsletter, email blasts, and the daily bulletin. It should be noted that volunteerism opportunities in the 2021/22 school year have been limited due to permissibility of additional parents on campus, though opportunities have increased and decreased depending on pandemic conditions in our county.

##### OPPORTUNITIES TO VOLUNTEER

- Fun Lunch Supervisor
- KSPTA Member
- Binder Hospital Support
- Carline Supervision
- Misc. Classroom Support
- Buddy Families for New Families

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
<b>Suspensions</b>	2.36	0.37	1.52	0.36	3.47	0.20
<b>Expulsions</b>	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Safety of students and staff is a primary concern of Adaline E. Kent Middle School. The school is consistently in compliance with all laws, rules, and regulations pertaining to safety standards. We have a Comprehensive School Safety Plan that includes strategies and programs to address a) child abuse reporting procedures; b) disaster procedures; c) policies regarding actions leading to suspension and/or expulsion; d) procedures to notify teachers of dangerous pupils; e) discrimination and harassment policies; f) school-wide dress code policies; g) procedures for safe ingress and egress of pupils; h) rules and procedures on school discipline; i) hate crime reporting procedures; j) Covid-19 mitigation strategies. The plan is updated and reviewed annually by the School Site Council and approved by the Board of Trustees by March 1st each year.

In conjunction with the district's Comprehensive School Safety Plan, staff is trained by local emergency response professionals in first aid and other areas related to emergency preparedness. The school's emergency preparedness plan includes steps for ensuring student and staff safety during a disaster. Emergency drills are conducted on a regular basis throughout the school year, on a pre-planned schedule that aligns with CA Ed Code requirements. Due to COVID-19, the site also has a Site Specific Safety Protection Plan which is designed to mitigate virus transmission and guided by Public Health.

## Professional Development

All training and curriculum development activities at Adaline E. Kent Middle School revolve around the California Common Core State Standards. During the 2018-19, 2019-20, 2020-21, and 2021-22 school years, Adaline E. Kent Middle School held staff development training devoted to:

- Equity and Inclusion
- Culturally Responsive Teaching
- Multi-Tiered Systems of Supports
- EL Instructional Strategies
- Differentiation
- Data Driven Instruction
- Writing Across the Curriculum
- Next Generation Science Standards
- Social & Emotional Learning
- Technology Integration

Decisions concerning selection of staff development activities are performed by the principal and district administrative team using tools such as state assessment results and teacher surveys to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Adaline E. Kent Middle School supports ongoing professional growth throughout the year on weekly early release days. Teachers meet in grade level teams, department level teams, and as a full faculty to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions periodically throughout the year. Teaching staff are also provided the opportunity to seek additional professional development opportunities through county programs and private institutions.

Adaline E. Kent Middle School offers support to new and veteran teachers through peer coaching and mentoring. Classified support staff receive job-related training from department supervisors and district representatives.

This table displays the number of school days dedicated to staff development and continuous improvement.

## 2020-21 Local Accountability Report Card (LARC) Addendum

# Local Accountability Report Card (LARC) Addendum

## 2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Student Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
