May 23rd Team Championship and individual trophy

First match will tee off at 3:50

League Rules

Each team will play 5 matches during the course of the season with 4 players competing in each match – the best three scores will count towards the teams total. The four teams with the lowest total score after their five matches will compete on the final day for the trophy. As always, we will run the individual tournament concurrently with the team championship. Players playing in the team finals are automatically entered for the individual trophy – any player who shoots 40 or below is also eligible And encouraged to enter.

Team coaches, or managers, will determine their teams playing order one through 4. Teams will consist of a minimum of 4 players and a maximum of 8. Only 4 will play in a match with the best three scores counting toward the final total. If you cannot field 3 players you will automatically forfeit the match. In addition each school is expected to provide a marshal to monitor play.

I have expanded the league to 10 teams so there are no more slots, sorry. All monies, \$50 per player, (includes green fees on match days) must be paid by February 28th 2022. Coaches are responsible for collecting all monies and turning them in to McInnis Park.

All members of the team must attend that school or the school will be ineligible .

Matches will be played in the rain unless conditions are deemed unsafe. In the event of inclement weather the Pro Shop will have a decision on whether the matches will be played by 1:30.

No spectators are allowed on the course. Marshals cannot marshal a match in which their child is participating in.

Bruce Wilmott PGA
