Welcomes

Digital Health &
Safety Expert

Katie Greer

Come join us

Greer will utilize her decades of experience to support parents in:

- Protecting and guiding their children on the internet and social media.
- Understanding social media: Rules, settings, age limitation and healthy use
- Using privacy settings, location services, check-ins: Are your devices set-up safely?
- Having real conversations with their children to foster a positive online experience for their family, with suggested restrictions and rules
- Learning norms around smartphones & age.
