

The Redwood High School Music Program

Middle School Open House

Wed. Feb. 1st 6:00 – 8:00pm

8th Grade Students and Families –

Come out to Redwood High School for a hangout and pizza party in the music classroom! You will have a chance to see the music facilities, meet current music students and teachers, and even play along with other students! You can learn all about the music classes offered at Redwood and ask any questions you may have before deciding which electives you want to sign up for next year.

Please RSVP if you can to your music teacher so we can be sure to have enough food and drinks for everyone.
