

# Bon Air Community Spring Fair

Join Mollie Stone's Market, The Kentfield, Greenbrae Historical Society (KGHS) and Bon Air merchants in **celebration of spring at the Bon Air Community Spring Fair on Saturday, May 20th**. Experience a showcase of local farms and food producers sampling their wares and leading food demonstrations while enjoying **FREE festivities** celebrating the extraordinary services and programs provided by Marin community organizations.

Enjoy hands-on activities with organizations from across Marin celebrating with booths along the promenade. Listen to the sounds of **student musicians from Bacich Elementary and Branson High School**, a performance by Dance with E.N.A., fitness class demos from Orangetheory and Bear Flag Fitness. Giveaways, prizes and sidewalk specials.

KGHS will debut a **newly acquired and important historical painting** and provide a presentation about its history with noted local historians Dewey Livingston and Richard Torney.

The painting by noted nineteenth century artist Joseph Lee is a **rare and important view of central Marin County**. Lee details the village of Ross Landing (what would later become Kentfield) with incredible accuracy. Ross Landing was the only town in the vicinity at that time.

The Marin Rose Society will exhibit inside space #110 with a **beautiful, fragrant showcase of more than 41 categories of expertly grown roses** on display to the public. Volunteers will assist kids of all ages in creating a beautiful bouquet. After judging is complete, cut **roses are available for purchase at \$2 each**, with 100% of the proceeds benefiting the Center for Domestic Peace.
