School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

### Budget Overview for the 2025-26 School Year

This chart shows the total general purpose revenue Kentfield Elementary School District expects to receive in the coming year from all sources.

The text description for the above chart is as follows: The total revenue projected for Kentfield Elementary School District is \$23,862,504, of which \$13,671,292 is Local Control Funding Formula (LCFF), \$1,767,994 is other state funds, \$8,184,330 is local funds, and \$238,888 is federal funds. Of the \$13,671,292 in LCFF Funds, \$335,183 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

# LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Kentfield Elementary School District plans to spend for 2025-26. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Kentfield Elementary School District plans to spend \$250,812,101 for the 2025-26 school year. Of that amount, \$25,081,201 is tied to actions/services in the LCAP and \$225,730,900 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

All General fund expenditure is included in the LCAP

## Increased or Improved Services for High Needs Students in the LCAP for the 2025-26 School Year

In 2025-26, Kentfield Elementary School District is projecting it will receive \$335,183 based on the enrollment of foster youth, English learner, and low-income students. Kentfield Elementary School District must describe how it intends to increase or improve services for high needs students in the LCAP. Kentfield Elementary School District plans to spend \$335,183 towards meeting this requirement, as described in the LCAP.

## Update on Increased or Improved Services for High Needs Students in 2024-25

Prior Year Expenditures: Increased or Improved Services for High Needs Students

This chart compares what Kentfield Elementary School District budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what Kentfield Elementary School District estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

The text description of the above chart is as follows: In 2024-25, Kentfield Elementary School District's LCAP budgeted \$19703 for planned actions to increase or improve services for high needs students. Kentfield Elementary School District actually spent \$19703 for actions to increase or improve services for high needs students in 2024-25.

## Plan Summary [2025-26]

### General Information

A description of the LEA, its schools, and its students in grades transitional kindergarten–12, as applicable to the LEA. LEAs may also provide information about their strategic plan, vision, etc.

The Kentfield School District is:  
The Kentfield School District provides a rich, high-quality education in a learning environment that is physically and emotionally safe for all students and teachers. Social emotional learning and character development are valued alongside academics.  
We strive to inspire students to pursue their passions through teaching practices that are student-centered, inquiry based, and provide a culture of innovation where students can discover and pursue their passions.  
Our campuses are welcoming, inclusive, well-maintained and conducive to optimal student learning.

KSD's Core Beliefs:  
Our diversity is an asset and a promise.  
Our culture of bold thinking inspires teachers and students.  
Community connections are vital.

The Kentfield Elementary School District is located in Kentfield, California and operates two schools - Bacich Elementary School, Grades TK-4, and Kent Middle School, Grades 5-8. The total 2024-25 District enrollment is approximately 1000 with 11% of students receiving special education services, 8% students English Learners, 13% students socioeconomically disadvantaged and 2% as Homeless.  
Anthony G.Bacich Elementary School is one of two schools in the Kentfield School District and serves students in Transitional Kindergarten through Fourth Grade. Bacich inspires and challenges all students to live, learn, and lead to their fullest potential, while also providing a high quality education that empowers every student to reach high, work hard, and be kind.

At Bacich, we believe it is essential to educate the whole child. Social emotional learning and character development are valued and taught alongside academics. We teach the six pillars of character found in our Character Counts Program: Responsibility, Caring, Respect, Citizenship, Trustworthiness and Fairness. Cultivating these characteristics is critical in helping our young students develop the well rounded skills necessary to maximize their potential as model members of our society. We also focus on social emotional learning during TEAM (Together Everyone Achieves More) lessons twice a week. Our school counselor provides guidance lessons to every classroom to teach and reinforce these critical social skills. Our age appropriate social justice curriculum further reinforces our efforts to create an inclusive school community where everyone belongs.

We strive to inspire students to pursue their passions through teaching practices that are student-centered, inquiry based, and provide a culture of innovation where students are motivated and excited to learn. Our dedicated and talented teachers are passionate about providing a learning environment in which our students are challenged and thrive. The teachers' grade level collaboration is unparalleled and produces innovative, robust and engaging instruction for our students. Teachers differentiate instruction to provide students with what they need to be successful and reach their full potential. For students requiring additional support, intervention programs are offered in both reading and mathematics. Additionally, targeted special education supports are provided by highly skilled and qualified education specialists. Our facilities include a large community center which serves as a gathering place for school wide assemblies, family and community events and physical education classes. Our community center is integral to our goal of creating and maintaining strong family and community connections.

Adaline E. Kent Middle School serves 5th - 8th grade students in a dynamic learning community that prepares individuals for a lifetime of intellectual exploration, personal growth, and social responsibility. The District's strategic plan motivates students, teachers, and community members to value diversity among all stakeholders, seek inspiring academic and creative pursuits, and to establish connection between each other, our learning, our community, and our world. Kent inspires and challenges all students to live, learn, and lead to their fullest potential, while also providing a high quality education that empowers every student to reach high, work hard, and be kind. Highlights of the campus include a fully stocked wood shop, a Maker's Space, art facilities, two learning centers, science lab spaces, a full library, our dedicated music building, and two gymnasiums.

Kent Middle School focuses on educating the whole child, balancing academic rigor with social and emotional wellness. We embrace grade level through lines to help students develop essential life skills, and a mindset for learning and growth (5th grade - Independence, 6th grade - Impact, 7th grade - Perseverance, 8th grade - Legacy). We also strive to pique student interest and curiosity, creating independently driven learners. By leveraging the talents, skills, and passions of our staff, we are able to maximize student learning. At the beginning of each day, students are greeted at the door by their teachers, and the Falcon News broadcast, a daily news show produced by students, makes timely announcements and highlights the many extra-curricular activities available. Often the Falcon News features short films produced and directed by students. Kent Middle School staff are committed and exceptional educators who work collaboratively to create engaging, standards-aligned learning activities and student-specific intervention strategies. For students requiring additional support before and during school, intervention programs are offered in both reading and mathematics. Targeted special education supports are provided by highly skilled and highly qualified education specialists, for those students who qualify.

Our English Language Arts and Math teachers design and implement rigorous, challenging, and differentiated common core aligned instruction designed to meet the diverse needs of all learners. Our Science department implements the Next Generation Science Standards (NGSS), innovative instruction which inspires and motivates our learners. Our History department focuses instruction around essential questions that help students connect their learning of history to inform their understanding of the present. Students' instructional day is enriched with electives including art, music, woodshop, makers, social action, journalism, poetry, film, and more. Our Physical Education department emphasizes collaboration, teamwork, and skill building through fun and challenging physical activity. Spanish is offered for all

7th and 8th graders, building a foundation for language learning in High School and beyond. Social and emotional development is also a focus and a strength at Kent. Our school implements a robust advisory program where students have common experiences around social and emotional learning and shared problem solving utilizing common lessons and common language across the school. All of these elements, and more, combine to create the unique environment of Kent Middle School, a place where adolescent learning and social growth are nurtured daily.

## Reflections: Annual Performance

A reflection on annual performance based on a review of the California School Dashboard (Dashboard) and local data.

In reviewing the KSD Dashboard Data some highlights we noticed include:

Our English Language Learners (ELL) made significant growth with their language proficiency

Overall, our students are achieving at pre-COVID levels, yet our Hispanic student still perform lower than their Caucasian counterparts and Bi-racial peers.

We continue to notice that overall, our summative data is not at the same level of our neighboring school districts – we attribute that to ongoing examination of curriculum to best meet the needs of our learners.

Our attendance and discipline data are showing positive growth in that attendance rates are increasing and we are seeing fewer suspensions among our students.

The KSD has used the Learning Recovery Emergency Block Grant (LREBG) funds to support research based intervention services for our students who demonstrate need, ie, below grade level in core content areas - reading and math. Students are assessed with formative and summative tools to closely monitor and offer specialized services to ensure we meet students where they are at. The funds have been budgeted over multiple years to help sustain these level of services for students -- and to slowly wean back services as students make adequate progress. Any carryover funds will go towards these specialized targeted services for our students who need the most support.

## Reflections: Technical Assistance

# Engaging Educational Partners

A summary of the process used to engage educational partners in the development of the LCAP.

School districts and county offices of education must, at a minimum, consult with teachers, principals, administrators, other school personnel, local bargaining units, parents, and students in the development of the LCAP.

Charter schools must, at a minimum, consult with teachers, principals, administrators, other school personnel, parents, and students in the development of the LCAP.

An LEA receiving Equity Multiplier funds must also consult with educational partners at schools generating Equity Multiplier funds in the development of the LCAP, specifically, in the development of the required focus goal for each applicable school.

**Areas of Growth:**

Increase differentiation to engage ALL learners

Progress Monitoring student performance and adjusting as needed

Alignment between SEL curriculum - Mental health/wellness  
Family engagement and education to support families in guiding their children  
Communication - Public Relations

Areas of Strength:

Highly qualified staff

Engaged community

Enrichments Offerings - Music, Art, Maker, Varied Electives (Drama, TedTalks, Coding, Screen Writing, Journalism, Start-Up) Facilities

Racial bias and equity training and materials for staff

Increased diverse staff reflecting student population

-

Based on the stakeholder feedback goals were amended to be accessible to the reader. We also integrated actions and services that were outlined in the Bacich and Kent single plan for student achievement.

Broad Goals were rearranged and adjusted to more simplistic language with focus goals highlighting key initiatives such as eliminating the resource gap, addressing needs of our English Language Learners, monitoring attendance rates, increasing a sense of inclusivity and belonging and reflecting on the curriculum implemented to support student progress and learning.

The broad goals offer an overarching vision -- while the focus goals are more measurable and time bound to support accountability for our actions and services. The feedback provided for the LCAP was categorized in key areas that make up our broad goals. There is an interest in intentionally focusing on all learners, cultivating a safe and inclusive school community, attracting and retaining a diversified workforce and maintaining fiscal solvency and quality facilities.

The focus on all learners includes but is not limited to differentiation - meet students where they are and enhance their learning, accelerate learning for students below grade level, inspire and motivate creativity and curiosity through varied instructional approaches and ensure a culturally relevant curriculum and pedagogy. We will monitor student progress through formative metrics incrementally throughout the school year in a targeted progress monitoring format. Through the use of Measure of Academic Progress (MAP) Growth tool we will be able to monitor student performance using a standardized tool triennially. Student data will inform instruction as well as help devise enhancement for student learning in their core areas of need.

The focus of cultivating a safe and inclusive school community provides a recognition of ensuring all our stakeholders - students, staff, parents/guardians - feel safe and able to offer perspective and views of how our system is impacting the social, emotional and academic progress of our student population. By feeling safe and part of the school community students, staff and parents/guardians will feel more connected and heard within the school system.

The focus on attracting and retaining a diversified workforce provides our students and community the opportunity to see themselves reflected in our school staff and may provide an increased level of connectivity. Through leaning into conversations to understand multiple perspectives we may be able to better support and work cohesively towards our common goals.

The focus on maintaining fiscal solvency and quality facilities allows us to maintain district fiscal management and to offer facilities that provide for a safe and comfortable work space so employees and the public are proud of their schools and learning space.

# Goals and Actions

## Goal

Goal #	Description	Type of Goal
1	<p>Engage, support and challenge all students with an intention to eliminate the opportunity/resource gap and empower students to excel and pursue their passion.</p> <p>Focus Goal:</p> <p>1a. By June, 2026 all KSD students will meet grade level standards and/or demonstrate one year’s growth in Mathematics and English Language Arts (ELA) as measured by research based and/or site identified formative and summative assessments.</p> <p>1b. By June, 2026 KSD students with an identified learning profile requiring goals and specialized services will meet goal areas in Mathematics and English Language Arts (ELA).</p> <p>1c. By June 2026, all student groups will demonstrate a year’s progress in core essential standards, English Language Arts (ELA) and Mathematics, as measured by research based measures such as MAP, CAASPP or other identified research based tools.</p> <p>1e. By June 2026, increase positive response to learners feeling challenged in classrooms by 5% (Based on YT data).</p>	Broad Goal

State Priorities addressed by this goal.

<p>Priority 1: Basic (Conditions of Learning)</p> <p>Priority 2: State Standards (Conditions of Learning)</p> <p>Priority 3: Parental Involvement (Engagement)</p> <p>Priority 4: Pupil Achievement (Pupil Outcomes)</p> <p>Priority 5: Pupil Engagement (Engagement)</p> <p>Priority 7: Course Access (Conditions of Learning)</p>
---

An explanation of why the LEA has developed this goal.

<p>Goal was developed to intentionally focus on all students and monitor progress of one year’s growth in one year’s time. Data will be used to inform continuous improvement to support student progression. Through this intentional focus we will be able to review student group data and examine efficacy of enhancement and interventions.</p>
