

**2016-17 Kentfield School District Goals**

<b>Board Goal</b>	<b>Superintendent Goals</b>
<p><b>Engage, support and challenge all students.</b></p> <p>Champion the ongoing implementation of innovative methods, including Project Based Learning, interdisciplinary teaching, and the design of a new 4/5 program.</p> <p>Analyze state and local assessment results to evaluate the efficacy of our instructional program and inform the allocation of resources.</p>	<p>Support teacher interest in project based learning and other innovative methods. Encourage teachers to take advantage of opportunities for professional development in these areas.</p> <p>Refine EdCamp model to capitalize on the expertise among our staff members.</p> <p>Work toward providing comparable experiences in innovation/making in each classroom at grade levels, K-4.</p> <p>Lead the district in the analysis of the CAASPP results to understand our strengths and weaknesses as indicated by this assessment and to develop goals for improvement.</p> <p>Teach teachers how to interpret their own students' results to inform instruction.</p> <p>Implement schedule for interim assessments to catch and remediate gaps in student learning prior to end-of-year assessments.</p> <p>Continue collaboration with facilitator working with 4<sup>th</sup> and 5<sup>th</sup> grade teachers to develop a unique program uniting the two grade levels in anticipation of their co-location on the Kent campus.</p>
<p><b>Foster a culture in which all members of our Kentfield School District community show respect and compassion towards one another, communicate in a positive manner, and stand up for and do the right thing.</b></p>	<p>Work with parent groups – PTA, kik, ELAC – to ensure inclusion of all students and parents in the life of the school. Refine communications strategy to increase inclusiveness and effectiveness.</p> <p>Work with Admin team to identify any potential districtwide professional development opportunities to support this goal (<i>both schools have undergone Responsive Classroom training</i>).</p> <p>Hold all members of our school district community accountable to this goal and spend adequate time on each campus to be able to reasonably assess its implementation.</p>
<p><b>Ensure appropriate stewardship of facilities.</b></p> <p>Monitor the progress of the District's Measure D bond projects in ways that engage the community, are fiscally responsible, and meet current and anticipated needs of the District</p> <p><b>Ensure appropriate stewardship of fiscal systems.</b></p> <p>Work toward successful passage of the Parcel Tax in November 2016.</p>	<p>Work with Project Manager and Architect to realize vision of Measure D.</p> <p>Continue work with Measure D Citizens Oversight Committee to ensure compliance with requirements of Prop 39.</p> <p>Pass the Parcel Tax in November 2016.</p>
<p>Educate our community regarding the role of the Board. Encourage interest in Board service. Develop leadership and succession plans.</p>	<p>Work with consultant and Board on effective and positive practices to put in place leading up to the 2017 Board elections, including any leadership transitions in December 2016. Develop a communications strategy for educating the community about what it means to be a Board member.</p>
