

Introduction:

LEA: Kentfield Elementary School District Contact (Name, Title, Email, Phone Number): Liz Schott, Superintendent, lschott@kentfieldschools.org, (415) 458-5130 LCAP Year: 2016-17

Local Control and Accountability Plan and Annual Update Template

The Kentfield Elementary School District is located in Kentfield, California and is comprised of two different sites: Bacich Elementary School, K-4, with an enrollment of 653 students, and Kent Middle School, 5-8, with an enrollment of 576 students.

The Kentfield Elementary School District is regarded highly by its parents, students and greater school community. The District is known for having a strong core academic program and rich visual and performing arts, physical education, Spanish language, computer program and Character Education curricula. Kentfield School District is actively implementing the Common Core Standards in Language Arts, Math and Next Generation Science. Standardized testing of these subjects has transitioned to the Smarter Balanced Assessment. Results from this new assessment system were positive.

The average class size in grades K-4 is 21.06 and in grades 5-8 it is 26.18. All District teachers are credentialed by the State of California and are working within their subject area of competence. The District enjoys the generous support of its active PTA, School Site Councils, and the Kentfield Schools Foundation, a non-profit organization which currently has a \$1,000,000 annual fundraising goal. In addition, the District has been very successful over the past two decades in passing parcel tax and facilities bond measures.

Our Vision: Kentfield School District will deliver a quality education that empowers our students to reach high, work hard, and be kind.

Our Mission: The Kentfield School District's mission is to inspire and challenge all students to live, learn, and lead to their fullest potential.

We believe that: by creating learning experiences that engage our students' creativity and curiosity, we motivate and inspire them to become life-long learners; educators who have access to appropriate and innovative teaching tools and professional development opportunities are most effective in engaging students in their learning; project-based, active learning encourages students to take risks and learn from their mistakes

We believe that: when our learning community works together, the outcome for our students is richer; when we engage in healthy, collaborative relationships that focus on student success, we enhance the educational experiences of our students; by building strong partnerships among students, staff and parents, we will provide the support our students need to acquire the knowledge, skills, and values in our graduate profile

We believe that: education is most meaningful when it is a journey of exploration, inspired by curiosity and personal engagement; learning experiences that develop intellectual curiosity, critical thinking, and problem solving skills encourage students to take risks and learn from their mistakes; students arrive at school equipped with curiosity, creativity, competence, courage and confidence, all essential ingredients of innovation. It is our challenge to unleash the learner within.

We believe that: perseverance and resilience are key elements in a child's learning and social development; it is important to engage students in real-world learning experiences, real-life challenges and problem solving

We believe in: providing a safe, positive and supportive learning community that holds itself to the highest of standards of integrity; being empathic and welcoming differences to create an inclusive community; actively listening to divergent opinions and perspectives and recognizing the contributions of all

We believe in: social responsibility as personified by appreciating different cultures, giving back to our community, taking care of each other, and being stewards of our environment; being a dynamic learning community that prepares individuals for a lifetime of intellectual exploration, personal growth and social responsibility; teaching, expecting and modeling good character in everything we do, the power of social responsibility through action to change the world

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPS must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual

Page 3 of 75
update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the district and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school graduation rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
Special Education Parent Partners meeting: December 1, 2015 Strategic Planning Meeting at Kent Library: March 22, 2016 District English Learner Advisory Committee meeting: April 20, 2016 Kentfield Teachers Association Leadership meeting: May 4 and 11, 2016 Parent/Staff Survey (75 responses): April and May, 2016 Student input: April 7, 2016 Emailed LCAP final draft to all District stakeholders for input: May 27, 2016 Public Hearing: May 31, 2016	At our Special Education Parent Partners meeting in December, the need for a Reading Specialist was emphasized, as was the desire for a middle school learning center class that addresses the needs of students whose IEPs give them more than half their day in Special Education. We were able to implement both of these suggestions. The Strategic Planning tune up meeting's themes were: the quality of substitute teachers; equity for all students, including high achievers (need for

differentiation); comparable experiences in innovation lessons across grade levels at Bacich; and support for English Learners. To that end, the administrative team will discuss ways to provide professional development and support for our substitute teachers. We have built into our professional development plan more training in differentiation. The Bacich principal and innovation specialist will work to ensure that students at a grade level have comparable experiences with technology and making; and, we are adding 0.2 FTE of teacher support for Kent's ELS.

The meeting with Kent's student council produced input on the condition of student restrooms, desirability of the lunch program, and quality of substitute teachers. The maintenance director is actively testing products designed to improve the air quality in student restrooms. The PTA, with whom we have a Memorandum of Understanding for lunch service, is actively working on improving the offerings.

The Kentfield Teachers Association Leadership was adamant that no numeric measure of achievement related to the CAASPP be included in the LCAP this year. They were only comfortable with an assurance that teachers be trained and provided the tools for analyzing CAASPP year-over-year results.

The meeting with DELAC highlighted continued concerns about how English Learners and their parents are made to feel part of the school community (or not). A team of teachers and administrators will attend a yearlong series of trainings at the Sonoma County Office of Education, "Culturally Responsive Teaching for Deeper Learning."

Items from our annual parent-staff survey that do not duplicate what has been addressed above are incorporating more community service and service learning into curriculum and updating the community on Measure D progress. A new section of enrichments at Kent is focused on service learning. The website has been updated with a page on the Measure D programming meetings, and a page of the annual print newsletter, to be delivered in mid-June, is dedicated to the building projects.

Annual Update: Special Education Parent Partners meeting: December 1, 2015 Strategic Planning Meeting at Kent Library: March 22, 2016 District English Learner Advisory Committee meeting: April 20, 2016 Kentfield Teachers Association leadership meeting: May 4 and 11, 2016 Parent/Staff Survey (75 responses): April and May, 2016 Student input: April 7, 2016 Emailed LCAP final draft to all District stakeholders for input: May 27, 2016 Public Hearing: May 31, 2016	Annual Update: Goal 1 remains substantially the same. We continue to refine our implementation of the Common Core in Language Arts and Math, and the NGSS in Science. Implementation of Goal 2 will involve more training in differentiation, Project Based Learning, and cultural proficiency. Goal 3 is consumed by Bond projects and passage of the Parcel Tax. Implementing Responsive Classroom at Bacich and introducing it at Kent will address initiatives in Goal 4. Community involvement with the Kentfield Planning and Advisory Board will dovetail with our building projects. We will continue to find ways to collaborate with College of Marin.
--	--

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school district and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school's budget that is submitted to the school's authorizer pursuant to Education Code section 47604.33.

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA's goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Page 9 of 75
Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate "all" for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate "all" for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Action/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the schoolsites covered. LEAs may indicate "all" for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is districtwide, schoolwide, countywide, or charterwide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to "ALL."

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils redesignated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning"?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes"?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement" (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful district and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL 1:		Engage, support and challenge all students.	
Identified Need :	Need: Improve teaching and learning	Metric: CAASPP results; Parent/Staff survey; Common Core-aligned report card at Bacich; all students provided with Common Core-aligned curricula and materials; Master Schedule at Kent shows course offerings available to all students	<p>Related State and/or Local Priorities: 1 _ 2 X 3 4 X 5 _ 6 _ 7 X 8 X COE only: 9 10 _</p> <p>Local : Specify <u>Strategic Goal #1</u></p>

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Original GOAL 1 from prior year LCAP:	Engage, support and challenge all students.		
	Schools: All Applicable Pupil Subgroups:	All	
Goal Applies to:	Expected Annual Measurable Outcomes:	Increased student achievement; Increased levels of student engagement and creativity	Actual Annual Measurable Outcomes: District students evidenced a strong grasp of the Common Core. Teachers continued to receive training in reading, math and science. English Learner reclassification rates remain high. Engagement and creativity measures are not yet determined.
			In this baseline year of CAASPP (see LCAP attachments),
			District students evidenced a strong grasp of the Common Core. Teachers continued to receive training in reading, math and science. English Learner reclassification rates remain high. Engagement and creativity measures are not yet determined.
Planned Actions/Services		Budgeted Expenditures	Actual Actions/Services
Identify, implement and evaluate instructional resources and assessments utilizing the Common Core State Standards, the Next Generation Science Standards, and other curriculum standards.	ELA/ELD adopted materials will be piloted or begin to be used in classrooms 4000-4999: Books And Supplies LCFF \$2,500 Bacich teachers will receive professional development in Eureka Math and Rekenrek. 5000-5999: Services And Other Operating Expenditures LCFF \$5,000	ELA/ELD adopted materials will be piloted or begin to be used in classrooms: Partially Implemented Bacich teachers will pilot Eureka Math. Bacich teachers will receive professional development in Eureka Math and Rekenrek. Bacich is working on a schoolwide pilot of Eureka Math. Bacich staff carefully analyzed two other Math curricula last year and determined that neither was adequate, so they agreed to study Eureka Math.	ELA/ELD adopted materials will be piloted or begin to be used in classrooms 4000-4999: Books And Supplies LCFF \$1,586 Bacich teachers will receive professional development in Eureka Math and Rekenrek. 5000-5999: Services And Other Operating Expenditures LCFF \$4,690 Implement Readers Workshop at Bacich and in 5th Grade at Kent 4999: Books And Supplies LCFF \$2,393 Bacich teachers will pilot Eureka Math. 4000-4999: Books And Supplies LCFF \$19,834
	Implement Readers Workshop at Bacich and in 5th Grade at Kent 4000-4999: Books And Supplies LCFF \$5,000	Implement Readers Workshop at Bacich and in 5th Grade at Kent: Bacich has adopted and implemented Reading and Writing Workshop out of the Teachers College at Columbia University. Writing Workshop is in its third year, and Reading Workshop is in	Evaluate benchmark assessments in Math across grade levels to ensure alignment with Common Core and to

	<p>Core and to ascertain effectiveness at measuring interim student progress. 5000-5999: Services And Other Operating Expenditures LCFF \$3,000</p> <p>Continue work with Science NGSS - Buck Institute, local collaboration, conference attendance 5000-5999: Services And Other Operating Expenditures LCFF \$2,000</p> <p>Articulate CCSS skills, research skills, informational writing skills, academic vocabulary, and threaded concepts across grades in Social Studies 5000-5999: Services And Other Operating Expenditures LCFF \$10,000</p> <p>All students with IEPs will have goals aligned with the Common Core, and will receive Special Education aligned with the Common Core 1000-1999: Certificated Personnel Salaries LCFF Already accounted for in Goal 2</p> <p>Refine triquarterly assessment report. 5000-5999: Services And Other Operating Expenditures LCFF \$1,000</p> <p>Bacich teachers will receive professional development in Readers Workshop Reading Institute - Summer 2015. 5000-5999: Services And Other Operating Expenditures LCFF \$12,000</p>	<p>its first year. Assessments of student progress have been aligned to this curriculum. Research skills, informational writing skills, academic vocabulary and other Common Core-related concepts have been implemented across grade levels. We are excited about this K-8 alignment of our reading program, knowing that consistency of delivery models and methods optimizes student success.</p> <p>Evaluate benchmark assessments in Math across grade levels to ensure alignment with Common Core and to ascertain effectiveness at measuring interim student progress.</p> <p>Continue work with Science NGSS - Buck Institute, local collaboration, conference attendance: Work on the Next Generation Science Standards (NGSS) is in its third year at Kent. Kent Science teachers have revamped the 5-6-7-8 program at Kent, adopting the integrated model recommended by NGSS. The department was recognized by the State of California last year with a Gold Ribbon Award. Bacich is nearing the end of its first year of NGSS adoption. A systematic pilot program which utilizes FOSS (Full Option Science System) in eleven classrooms is underway in all grade levels, preparatory to adopting the program schoolwide next year.</p> <p>Articulate CCSS skills, research skills, informational writing skills, academic vocabulary, and threaded concepts across grades in Social Studies: Library Media Teachers on both campuses collaborate with classroom teachers</p>	<p>ascertain effectiveness at measuring interim student progress. 5000-5999: Services And Other Operating Expenditures LCFF \$3,495</p> <p>Continue work with Science NGSS - Buck Institute, local collaboration, conference attendance 5000-5999: Services And Other Operating Expenditures LCFF \$12,422</p> <p>Articulate CCSS skills, research skills, informational writing skills, academic vocabulary, and threaded concepts across grades in Social Studies 5000-5999: Services And Other Operating Expenditures LCFF \$11,382</p> <p>All students with IEPs will have goals aligned with the Common Core, and will receive Special Education aligned with the Common Core 1000-1999: Certificated Personnel Salaries LCFF Already addressed in Goal 2</p> <p>Refine trimesterly assessment report. \$0.00</p> <p>Bacich teachers will receive professional development in Readers Workshop Reading Institute - Summer 2015. 5000-5999: Services And Other Operating Expenditures LCFF \$45,744</p>

<p>What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?</p>	<p>It was not appropriate to tie this goal to State Priority #6, therefore no actions are planned for that priority area. We plan to interact closely with community groups such as the Kentfield Planning and Advisory Board (KPAB) as we work through out Measure D Bond projects. KPAB is also willing to work with us on our transportation needs.</p>

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).
- Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district's goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$78,543
In the LCAP year, 2016-17, the Kentfield School District anticipates funds in the amount of \$78,543 to provide improved services for our low-income students, foster youth and English learners. The District will expend these funds to improve and increase intervention and remediation services for these students, including, but not limited to: homework help for students and parents; English Language Development professional development and direct services. As stated in Goal 1, the District will engage, support and challenge all students and will identify, implement and evaluate instructional resources and assessments utilizing the Common Core State Standards, the Next Generation Science Standards, and other curriculum standards.	

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

.90	%
-----	---

The District provides professional, highly qualified staff that provides services and support for all students. In 2016-17 the full-time equivalent (FTE) certificated teachers total 89.50 FTE and the classified support staff totals 35.29 FTE. The Kentfield School District serves 1,233 K-8 students with an unduplicated pupil count of 99 students or 8.04%. These unduplicated students include students of Low Income (LI), Foster Youth (FY), and English Learners (EL). To support these students, the District provides certificated teachers at both, Bacich Elementary (.80FTE), and at Kent (.40FTE), providing a 1.56% increase in services to these students. The District dedicates a classified paraprofessional (.30FTE) for support at Bacich Elementary School. In addition, students will be served by classified paraprofessionals for increased services and support outside the classroom with a designated Study Club, a 1.13% increase in services.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) "Chronic absenteeism rate" shall be calculated as follows:

(1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where "chronic absentee" means a pupil who is absent 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.

(2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(b) "Middle School dropout rate" shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) "High school dropout rate" shall be calculated as follows:

(1) The number of cohort members who dropout by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(d) "High school graduation rate" shall be calculated as follows:

(1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where "cohort" is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.

(2) The total number of cohort members.

(3) Divide (1) by (2).

(e) "Suspension rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).

(3) Divide (1) by (2).
