RE: Annual Accounting of Parcel Taxes - Fiscal Year 2013-2014

Kentfield School District Measure A

Measure A - To maintain excellence in Kentfield's public education by supporting superior core programs, attracting/retaining highly-qualified teachers, maintaining small class sizes, and enhancing technology programs. The Kentfield School District shall levy parcel taxes, per parcel for parcels containing one single-family residence or dwelling unit. For all other parcels within the District, the tax will be imposed based on the square feet of the parcel size (commercial). All parcel sizes shall be determined from the records maintained by the Marin County Assessor's office. Each year there will be an increase of 5% from the prior year's rates for all parcels not exempt from the tax. Measure A expires 6/30/2019.

Section 6: In accordance with the requirements of California Government Code sections 50075.1 and 50075.3, the following accountability measures, among others, shall apply to the special tax levied in accordance with this Resolution: (a) the specific purposes of the special tax shall be those purposes identified above; (b) the proceeds of the special tax shall be applied only to those specific purposes identified above; (c) a separate, special account shall be created into which the proceeds of the special tax must be deposited; and an annual written report and financial audit shall be made to the Board of Trustees of the District showing (i) the amount of funds collected and expended from the special tax proceeds and (ii) the status of any project required or authorized to be funded from the proceeds of the special tax, as identified above.

KENTFIELD SCHOOL DISTRICT MEASURE A

To maintain excellence in Kentfield's public education by supporting superior core programs, attracting/retaining highly-qualified teachers, maintaining small class sizes, and enhancing technology programs, shall Kentfield School District levy parcel taxes, to continue existing assessments, at \$773.94 per year for parcels containing one single-family residence, and at rates specified in the sample ballot for all other parcels, increase rates by 5% per year, grant senior exemptions, and implement an annual financial audit, for ten years?

IMPARTIAL ANALYSIS BY COUNTY COUNSEL KENTFIELD SCHOOL DISTRICT PARCEL TAX MEASURE A

If this Measure is approved by a two-thirds vote, the Kentfield School District will be authorized to continue an existing parcel tax, for the purposes of supporting superior core programs, attracting and retaining highly-qualified teachers and staff, maintaining small class sizes and enhancing technology programs, in the amount of Seven Hundred Seventy-Three and Ninety-Four Cents (\$773.94) on each parcel containing one single-family residence with Five Percent (5%) rate increases per year.

The Measure authorizes the District to grant senior exemptions to the parcel tax, and implements an annual financial audit.

ARGUMENT IN FAVOR OF MEASURE A

Bacich Elementary and Kent Middle are award winning schools, both having been officially recognized as "California Distinguished Schools" and both scoring in the top 3% in recent statewide testing. We continue to attract the best educators and are consistently rewarded with our teachers receiving multiple teaching awards, grants and even California's highest teaching honor, the California State Teacher of the Year Award.

For decades, Kentfield schools have fostered and supported the educational needs of students, successfully equipping them for higher education and to better our community. The reputation of our schools attracts families to the District, resulting in significantly increased property values and recently, in protecting the values of our homes while the broader real estate market declines.

For over 25 years, excellence has been achieved at our schools through rigorous cost control, parent and community contributions, and most importantly the *voter-approved parcel tax*. Without Measure A, our schools would experience an immediate funding loss of approximately 25%. It is hard to imagine the loss of 25% of the schools' teachers, staff, equipment and supplies. Accordingly, Measure A is vital to our schools and the health of our community.

Measure A will enable the Kentfield School District to continue attracting and retaining the best teachers and staff, continue to deliver high-quality academics, maintain small class size, an up-to-date technology program, and provide for superior facilities maintenance. Measure A continues the existing parcel tax rate structure with the same 5% annual adjustments to address inflation, projected enrollment growth and rising basic costs. Measure A provides an exemption for property owners 65 and older by applying to the Kentfield School District.

The excellent education provided by our schools has been a cornerstone for generations of Greenbrae and Kentfield students and families. Please join us in extending that foundation of excellence by supporting Measure A.

FULL TEXT OF MEASURE A RESOLUTION #5, 2007-2008 ORE THE BOARD OF TRUSTEES OF THE KENTFIELD SCHOOL DISTRICT MARIN COUNTY, CALIFORNIA

In the Matter of a Special Tax Election RESOLUTION AND ORDER OF ELECTION

WHEREAS, the California State Legislature has failed to provide adequate funding for the continued operations of the Kentfield School District ("District") schools (Anthony Bacich Elementary School and Adaline E. Kent Middle School); and as a result of this lack of funding and financial support for the schools, the District is constantly in danger of needing to reduce or eliminate many study programs beneficial and necessary to the children who attend the schools of the District; and once eliminated these programs of study will be extremely difficult to reinstitute; and

WHEREAS, the District continues to engage in a variety of efforts to generate funds for the educational programs, including lobbying the State Legislature and conducting many local fundraising efforts, and has undertaken cost-cutting measures, including employee layoffs and reduction of programs and services beneficial and necessary to the students of the District; and

WHEREAS, the reliance solely on State funding will result in further loss of critical programs; and

WHEREAS, a thorough and developed public education program delivers many long-lasting benefits and advantages to all of the residents of our community; and

WHEREAS, without a renewed authorization by the voters for a parcel tax, substantial reduction or elimination of educational programs, services, teachers and staff will be necessary and will have a severe negative impact on the children of the District and the community as a whole; and

WHEREAS, section 4 of Article XIIIA of the California Constitution and Government Code sections 50075, 50076, 50077, 50079, and 53720, 53721, 53722 and 53724 authorize school districts to levy a special tax to raise funds for the purpose of conducting its business upon the approval of two-thirds of the votes cast by voters voting upon such a special tax proposal; and
