Bacich Elementary School School Accountability Report Card Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Principal's Message

Welcome to Anthony G. Bacich Elementary School and thank you for taking the time to explore our magnificent school and school district. As Bacich elementary school principal, I am proud to represent this community and tell you why it is such a special place through our annual school accountability report card (SARC). I want to begin with the Kentfield School District's beliefs and the very young children who begin their educational journey at Bacich. Each of our students bring unique personalities, varied interests, individual experiences and abilities with them as they share their first years of school with us. We recognize that learning opportunities for them happen everywhere — in the classroom, on the playground and at home. We appreciate the partnerships we have with our Kentfield families to educate our children. While we stress academic success, we also believe in fostering the values found in our Six Pillars of Character: Responsibility, Caring, Respect, Citizenship, Trustworthiness and Fairness. These core values are critical in helping our young children develop the well rounded skills necessary to maximize their potential as contributing members of our society. Our teachers are passionate about providing a learning environment in which our students are challenged and thrive. Working in partnership with our parents, we provide a supportive and safe environment where our young students can take risks, develop a strong foundation of skills and begin to experience a genuine love of learning. In addition to the core subject areas, we offer our students the opportunity to explore their interests and passions through service learning, outdoor experiences, art, music, and technology. Our website is a link to our vibrant school community. I extend a warm invitation to you to learn more about us and to get involved if you are currently a parent in our school. Learn first hand the spirit of Bacich School and the Kentfield School District.

Mission Statement

The Kentfield School District's mission is to inspire and challenge all students to live, learn, and lead to their fullest potential.

Vision Statement

Kentfield School District will deliver a quality education that empowers our students to reach high, work hard, and be kind.

School Profile

Anthony G. Bacich Elementary School is located in Kentfield and serves students in grades transitional kindergarten (TK) through grade four (4) following a traditional calendar. At the beginning of the 2018-19 school year, 640 students were enrolled, including 11.3% in special education, 9.4% qualifying for English Language Learner support, and 9.2% qualifying for free or reduced price lunch.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: September 11, 2018

All textbooks used in the core curriculum at Anthony G. Bacich Elementary School are aligned to the California Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

^{*} Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

On Tuesday, September 11, 2018, the Kentfield School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #1 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2018-19 school year, Kentfield School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Kentfield School District takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Anthony G. Bacich Elementary School's original facilities were built in 1958; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In November 2014 Measure D was passed by the community. Construction began during the summer of 2018 and will include a new six-classroom building and administrative space as well as improved parking and classroom modernization. Construction of the new facility will be completed in Fall 2019. Planned Proposition 39 funding improvement projects will include replacing and upgrading current Energy Management System (EMS) using the approved California Energy Commission (CEC) application.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Anthony G. Bacich Elementary School.

The day custodian is responsible for:

- Facilities cleaning
- Events setup/cleanup
- Morning crossing guard duty

Restrooms are checked regularly throughout the day for cleanliness and subsequently cleaned as needed.

The evening custodians are responsible for:

- Classroom cleaning
- General use areas
- Office area cleaning
- Restroom cleaning
- Community Center cleaning

The Principal communicates with custodial staff daily concerning maintenance and school safety issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)						
Subject	School		District		State		
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18	
English Language Arts/Literacy (grades 3-8 and 11)	70.0	74.0	77.0	77.0	48.0	50.0	
Mathematics (grades 3-8 and 11)	79.0	79.0	72.0	72.0	37.0	38.0	

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through teacher newsletters, grade level monthly newsletters, the school marquee, the school website, and administrator's weekly newsletter. Contact the Bacich school office at (415) 925-2220 for more information on how to become involved in your child's learning environment.

School Safety Plan (School Year 2018-19)

The Comprehensive School Site Safety Plan was developed for Anthony G. Bacich Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in November 2018.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

For the 2017-18 school year, Kentfield School District spent an average of \$14,357 of total general funds to educate each student (based on 2017-18 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at te district and state levels. Detailed information regarding salaries can be found at the CDE website at www.cde.ca.gov/ds/fd/ec/ and www.cde.ca.gov/ds/fd/cs/. (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Kentfield School District receives state and federal categorical funding for special programs. For the 2017-18 school year, the District received categorical, special education, and support programs funds for:

- California Clean Energy Jobs Act
- Common Core State Standards Implementation
- Education Protection Account
- Lottery: Instructional Materials
- Special Education
- State Lottery
- Title I
- Title II
- Title III

^{*}One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Professional Development (Most Recent Three Years)

All training and curriculum development activities at Anthony G. Bacich Elementary School revolve around the California Common Core State Standards. During the 2016-17, 2017-18, and 2018-19 school years, Anthony G. Bacich Elementary School held and will hold staff development training devoted to:

- Literacy Assessment Training
- Next Generation Science Standards (NGSS)
- Differentiated Instruction
- Diversity Awareness
- English Language Learners
- Response to Intervention
- Institute for Social & Emotional Learning (IFSEL)
- Mindfulness

Decisions concerning selection of staff development activities are performed by the principal using tools such as teacher input, school assessment results, and state mandates to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Anthony G. Bacich Elementary School supports ongoing professional growth throughout the year on weekly early release days. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training session as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula. During the 2018-19 school year, Anthony G. Bacich Elementary School's teachers attended the following events hosted by the Kentfield School District:

- Diversity, Equity and Inclusion
- Common Core State Standards Eureka Math, Reading Workshop, Fountas & Pinnell Literacy Assessment
- Curriculum Mapping Lite
- CPR Refresher Training
- Sexual Harassment Training
- Responsive Classroom
- Character Education
- Institute for Social & Emotional Learning (IFSEL)
- Project Based Learning (PBL)
- A Touch of Understanding

Anthony G. Bacich Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.
