

It's FUN to bundle up and walk in the rain!

Wednesday, February 13th is Walk to School Umbrella Day

**Please set your alarm clocks 20 minutes early the night
before so your child doesn't miss the fun!**

Live far or work full-time? Then park your car 1/3 of a mile from campus and walk the rest of the way with your child. Come to our welcome table at the front of the school for a giveaway - rain or shine.

Please help us to reduce car drop-off traffic and teach our children the importance of using their feet to get to school.
