- Kent Middle School, 800 College Ave,
Room: TBA

Learn How to Sew!

Join us for a week of fashion design creation focused on sleepwear designs. Campers will have a choice of creating their own roll-up blanket, PJs, Mermaid Tail blankets, Snuggies, Stuffed Animals, and Pillows. During camp, students will learn fashion design from concept to completion through taking measurements, reading patterns, cutting patterns and fabric, hand stitching, and proper usage of a sewing machine.

Materials will be provided including cozy flannel, fleece, and cotton fabrics as well as sewing supplies. The week will culminate with a fun runway show for designers to showcase all their hard work.
