**Chris Van Dusen**

## ***If I Built a School***

Author **Chris Van Dusen** will visit Bacich Elementary School on **Monday, September 23rd** to talk to students about his new book, *If I Built a School*

In the exuberant companion to *If I Built a Car* and *If I Built a House*, a boy fantasizes about his dream school--from classroom to cafeteria to library to playground. If Jack built a school, there would be hover desks and pop-up textbooks, skydiving wind tunnels and a trampoline basketball court in the gym, a robo-chef to serve lunch in the cafeteria, field trips to Mars, and a whole lot more.
