Tee Ball is one mid-week practice and one weekend game at the Ross

Commons Practice begins in March 1, 2020

Opening Day March 7, 2020

Closing Day June 6, 2020

RVLL Tee Ball

Tee Ball is a child's first introduction to organized baseball. It is intended for league age 5 and 6 year olds. A child MUST be 5 years old on or by August 31th, 2020 to qualify for 2020 Spring RVLL Tee Ball. The emphasis is on familiarizing children with the most fundamental elements of the game: how to swing a bat, field an easy grounder, run on the basepaths, and throw a ball. We want it to be a fun experience, and help them learn about teamwork and basic sportsmanship. No score is kept, no outs are recorded, and everyone bats every inning. We also use a super-cushioned safety baseball in all practices and games. Team assignments are finalized at the end of February and parents are notified via email of their child's assignment - this includes the day/time of the week that the teams will practice. Tee Ball in Little League is not organized like a Rec Department sport. Parents do not choose the day/time of practice. Children are assigned to teams and the teams are balanced for numbers and ages. This is a way to embrace meeting new friends and families, Little League baseball is about creating a community in our busy lives.

We'd love to let your children play with their buddies and make every effort to satisfy parents requests for specific team assignments. Buddy requests can be made during the registration process. Parents can request up to TWO specific buddy names, there is a specific field in registration for you to do this. There are no guarantees that we can satisfy your requests, but we do our best.

Hardships are considered. Please contact president@rossvalleylittleleague.org
